Cassandra: The Definitive Guide - GóC IT

Cassandra first started as an incubation project at Apache in January of 2009 Shortly thereafter, the committers, led by Apache Cassandra Project Chair Jonathan Ellis, re-released version 0.3 of Cassandra, and have steadily made minor releases since that time Though as of this writing it has not yet reached a 1.0 release, Cassandra is being used

Cassandra: The Definitive Guide

I am so excited to be writing the foreword for the new edition of Cassandra: The Definitive Guide Why? Because there is a new edition! When the original version of this book was written, Apache Cassandra was a brand new project Over the years, so much has changed that users from that time would barely recognize the database today It's
